REFLEX MEDIA SERVICES

Our Services - Single Day

Social Media Blast

A little boost to get your company noticed with our following. When you do a promotion post, we will design Instagram posts, Facebook posts, send out an email blast, send out tweets, create Instagram and Facebook stories, and share an article on our website. For a social media blast, a company can expect 60-90k impressions.

\$1,750

5 Social Media Blast

This is the same service as the single promotion post just for a longer duration. In this service, we will do a single promotion post 5 different times, and you can decide when. If you pick this option, the overall price is reduced.

\$7,000

Written Article

Get a one time personalized article for your company that promotes your story in a very readable way. This article will be front cover on both of our websites for a day, will be featured on all of our social media platforms and our newsletter.

\$900

Sponsor An Interview

Let our followers know your company in a more personal way with a brief message at the start of our podcast, Behind Success..

\$250

Our Services - Monthly/Yearly Contracts

Monthly Contract (Most Popular)

Everytime you have a news release, CEO interview, podcast episode, article or video about your company in a given month we will post it on our Instagram stories, Facebook stories, Twitter accounts and on our websites. When you buy this service, the reach is up to you, the more content you send us, the better. For each piece of content, a company can expect 15-20k impressions.

\$1200/Month

Yearly Contract

This service is the same thing as the monthly contract except on a yearly basis, for a reduced price.

\$12,000/Year

Combo Contract (Greatest Value)

This contract is for companies who are in need of constant weekly content and for the conversation to never stop. Included in 1 month is a personalized piece of content of your choosing, either an article or interview, a social media blast and full access to our monthly contract (refer to other descriptions for more info). In one month, companies can expect 120-150k impressions and have their personalized content forever up on our platforms websites.
